<sup>(1)</sup> Gümrük vergisi % 3 uygulanır.

<sup>(2)</sup> Gümrük vergisi % 0 uygulanır.

<sup>(3)</sup> A.TR dolaşım belgesi eşliğinde ithal edilen DTÖ üyesi olmayan ülkeler (Azerbaycan Cumhuriyeti hariç) menşeli eşyadan Diğer Ülkeler sütununda belirlenen ek mali yükümlülük tahsil olunur. Ancak, Türkiye'nin taraf olduğu serbest ticaret anlaşmaları çerçevesinde bir çapraz menşe kümülasyon sistemine dahil ülkeler menşeli eşyadan tercihli menşenin tevsiki halinde ek mali yükümlülük alınmaz.

<sup>(4)</sup> DTÖ üyesi olmayan ülkeler (Azerbaycan Cumhuriyeti hariç) için gümrük vergisi oranı ile birlikte 200 ABD Doları/ton ek mali yükümlülük uygulanır.

<sup>(a)</sup> Gümrük mevzuatının nihai kullanıma ilişkin hükümlerine tabidir.

<sup>(1)</sup> Bu (1 Nolu) sütunda yer alan ülkelerden; AB Üyesi Ülkeler, EFTA Üyesi Ülkeler, Arnavutluk, Bolivarcı Venezuela Cumhuriyeti, Büyük Britanya ve Kuzey İrlanda Birleşik Krallığı, Bosna-Hersek, Fas, Faroe Adaları, Filistin, Gürcistan, Güney Kore, Karadağ, Kosova, Malezya, Mısır Arap Cumhuriyeti, Morityus, Moldova, Sırbistan, Singapur Cumhuriyeti, Şili ve Tunus dışında kalanlar için bu oran yerine, Diğer Ülkeler sütununda belirtilen gümrük vergisi oranı tatbik edilir.

<sup>(2)</sup> Mısır için bu oran yerine, Diğer Ülkeler sütununda belirtilen gümrük vergisi oranı tatbik edilir.

<sup>(3)</sup> A.TR dolaşım belgesi eşliğinde ithal edilen DTÖ üyesi olmayan ülkeler (Azerbaycan Cumhuriyeti hariç) menşeli eşyadan Diğer Ülkeler sütununda belirlenen ek mali yükümlülük tahsil olunur. Ancak, Türkiye'nin taraf olduğu serbest ticaret anlaşmaları çerçevesinde bir çapraz menşe kümülasyon sistemine dahil ülkeler menşeli eşyadan tercihl menşeninin tevsiki halinde ek mali yükümlülük alınmaz.

<sup>(4)</sup> DTÖ üyesi olmayan ülkeler (Azerbaycan Cumhuriyeti hariç) için gümrük vergisi oranı ile birlikte 300 ABD Doları/ton ek mali yükümlülük uygulanır.

(a) Gümrük mevzuatının nihai kullanıma ilişkin hükümlerine tabidir.

(b) Sivil hava taşıtlarında kullanılmak kaydıyla ithal edilmesi halinde gümrük vergisi % 0 olarak uygulanır ve bu halde gümrük mevzuatının nihai kullanıma ilişkin hükümlerine tabidir.

(1) A.TR dolaşım belgesi eşliğinde ithal edilen DTÖ üyesi olmayan ülkeler (Azerbaycan Cumhuriyeti hariç) menşeli eşyadan Diğer Ülkeler sütununda belirlenen ek mali yükümlülük tahsil olunur. Ancak, Türkiye'nin taraf olduğu serbest ticaret anlaşmaları çerçevesinde bir çapraz menşe kümülasyon sistemine dahil ülkeler menşeli eşyadan tercihli menşenin tevsiki halinde ek mali yükümlülük alınmaz.

(2) DTÖ üyesi olmayan ülkeler (Azerbaycan Cumhuriyeti hariç) için gümrük vergisi oranı ile birlikte 120 ABD Doları/ton ek mali yükümlülük uygulanır.

(3) DTÖ üyesi olmayan ülkeler (Azerbaycan Cumhuriyeti hariç) için gümrük vergisi oranı ile birlikte 200 ABD Doları/ton ek mali yükümlülük uygulanır.

(4) DTÖ üyesi olmayan ülkeler (Azerbaycan Cumhuriyeti hariç) için gümrük vergisi oranı ile birlikte 50 ABD Doları/ton ek mali yükümlülük uygulanır.

(5) Dahilde İşleme Rejimi kapsamında ithal edilerek, işlem görmüş ürün olarak ihraç edilmesi halinde varsa telafi edici verginin hesaplanmasında % 0 uygulanır.

(6) DTÖ üyesi olmayan ülkeler (Azerbaycan Cumhuriyeti hariç) için gümrük vergisi oranı ile birlikte 400 ABD Doları/ton ek mali yükümlülük uygulanır.

(7) Bolivarıcı Venezuela Cumhuriyeti için % 5,8 uygulanır.

(8) DTÖ üyesi olmayan ülkeler (Azerbaycan Cumhuriyeti hariç) için % 15 uygulanır.

(9) Gümrük vergisi % 0 uygulanır.

(a): Gümrük mevzuatının nihai kullanıma ilişkin hükümlerine tabidir.

(1): Bolivarıcı Venezuela Cumhuriyeti için Diğer Ülkeler sütununda belirlenen gümrük vergisi ve ek mali yükümlülük uygulanır.

(2): A.TR dolaşım belgesi eşliğinde ithal edilen Avrupa Birliği ve Türk menşeli olmayan eşyadan diğer ülkeler sütunu için belirlenen ek mali yükümlülük tahsil olunur. Ancak, Türkiye'nin taraf olduğu serbest ticaret anlaşmaları çerçevesinde bir çapraz menşe kümülasyon sistemine dahil ülkeler menşeli eşyadan tercihli menşenin tevsiki halinde ek mali yükümlülük alınmaz.

(3): Bu gümrük vergisine ilave olarak %25 veya minimum 6.000 ABD Doları/adedin yüksek olanı ek mali yükümlülük olarak uygulanır. Yatırım teşvik belgesi kapsamında gümrük vergisi muafiyetinden yararlanılarak gerçekleştirilen ithalatta bu dipnot kapsamı ek mali yükümlülük uygulanmaz.

(4): Bu gümrük vergisine ilave olarak %30 veya minimum 7.000 ABD Doları/adedin yüksek olanı ek mali yükümlülük olarak uygulanır. Yatırım teşvik belgesi kapsamında gümrük vergisi muafiyetinden yararlanılarak gerçekleştirilen ithalatta bu dipnot kapsamı ek mali yükümlülük uygulanmaz.

(5): Bu gümrük vergisine ilave olarak %30 veya minimum 8.500 ABD Doları/adedin yüksek olanı ek mali yükümlülük olarak uygulanır. Yatırım teşvik belgesi kapsamında gümrük vergisi muafiyetinden yararlanılarak gerçekleştirilen ithalatta bu dipnot kapsamı ek mali yükümlülük uygulanmaz.

<sup>(1)</sup> Mısır Arap Cumhuriyeti için DÜ sütununda yer alan gümrük vergisinin ve ek mali yükümlülüğün %50'si uygulanır.

<sup>(2)</sup> İran İslam Cumhuriyeti için DÜ sütununda yer alan gümrük vergisinin %70'i ve DÜ sütununda yer alan ek mali yükümlülüğün %96'sı uygulanır.

<sup>(3)</sup> İran İslam Cumhuriyeti için DÜ sütununda yer alan ek mali yükümlülüğün %57'si uygulanır.

<sup>(4)</sup> İran İslam Cumhuriyeti için DÜ sütununda yer alan gümrük vergisinin %50'si uygulanır.

<sup>(5)</sup> İran İslam Cumhuriyeti için ek mali yükümlülük %0 olarak uygulanır.

<sup>(6)</sup> İran İslam Cumhuriyeti için DÜ sütununda yer alan gümrük vergisinin ve ek mali yükümlülüğün %30'u uygulanır.

<sup>(7)</sup> İran İslam Cumhuriyeti için DÜ sütununda yer alan ek mali yükümlülüğün %56'sı uygulanır.

<sup>(8)</sup> Mısır Arap Cumhuriyeti için DÜ sütununda yer alan gümrük vergisinin %50'si uygulanır.

<sup>(9)</sup> İran İslam Cumhuriyeti için DÜ sütununda yer alan gümrük vergisinin %30'u uygulanır.

<sup>(10)</sup> İran İslam Cumhuriyeti için DÜ sütununda yer alan gümrük vergisinin %50'si ve DÜ sütununda yer alan ek mali yükümlülüğün %30'u uygulanır.

<sup>(11)</sup> Gürcistan için gümrük vergisi %0 olarak uygulanır.

<sup>(12)</sup> Şili Cumhuriyeti için gümrük vergisi %0 olarak uygulanır.

<sup>(13)</sup> İran İslam Cumhuriyeti için gümrük vergisi %0 olarak uygulanır.

<sup>(14)</sup> Singapur Cumhuriyeti için yalnızca siçslenmiş tavuk özünde gümrük vergisi ve ek mali yükümlülük %0 olarak uygulanır.

<sup>(15)</sup> Moritanya Cumhuriyeti için DÜ sütununda yer alan gümrük vergisinin %80'i uygulanır.

<sup>(16)</sup> Singapur Cumhuriyeti için yalnızca ançizev, soğan, acı kırmızı biber, tamarin, kıl, kahverengi şeker ve tuzdan yapılmış acılı ançizev gevreklerinde gümrük vergisi ve ek mali yükümlülük %0 olarak uygulanır.

<sup>(17)</sup> Singapur Cumhuriyeti için yalnızca balık eti, köri, buğday nişastası, tuz, şeker ve çeşnili balık topları; balık eti, yengeç çubucuğu, deniz yosunu, fasulye telmesi, bitkisel yağ, şeker, tuz, patates nişastası ve diğer çeşnilerle hazırlanmış dört renkli rulolardır. gümrük vergisi ve ek mali yükümlülük %0 olarak uygulanır.

<sup>(18)</sup> Singapur Cumhuriyeti için yalnızca buğday nişastası, tuz, şeker, baharat, yengeç eti ve dolgunundan mamul yengeç köfesinde gümrük vergisi ve ek mali yükümlülük %0 olarak uygulanır.

<sup>(19)</sup> Singapur Cumhuriyeti için yalnızca karides, buğday nişastası, tapyoka, su, taze soğan, zencefil, şeker ve tuzdan yapılmış "hargow", karides, mısır nişastası, bitkisel yağ, karabiber, susam yağı ve sudan yapılmış "shaomai", karides, tuz, yağ, şeker, zencefil, biber, yumurta, sirke ve soya sosundan yapılmış "kazartılmış karides wonton"unda gümrük vergisi ve ek mali yükümlülük %0 olarak uygulanır.

<sup>(20)</sup> Singapur Cumhuriyeti için yalnızca mürrekkep balığı, balık ve yengeç etinden mamul istakoz çeşnili köfede gümrük vergisi ve ek mali yükümlülük %0 olarak uygulanır.

<sup>(21)</sup> Singapur Cumhuriyeti için yalnızca mürrekkep balığı dolgunu, buğday nişastası, tuz, şeker ve baharat içeren mürrekkep balığı köfesinde gümrük vergisi ve ek mali yükümlülük %0 olarak uygulanır.

<sup>(22)</sup> Pakistan İslam Cumhuriyeti için DÜ sütununda yer alan gümrük vergisinin ve ek mali yükümlülüğün %50'si uygulanır.

|       |       | 25.23      | Portland çimentosu, şaplı çimento ("ciment fondu"), cüraf çimentosu, süper sülfat çimentosu ve benzeri su altında sertleşen çimentolar (boyanmış veya klinker şeklinde olsun olmasın) |
|       | 27    | Fasil 27   | Mineral yakıtlar, mineral yağlar ve bunların damıtılmasından elde edilen ürünler, bitümenli maddeler, mineral mumlar                                                                  |
| S-6a  | 28    | 28.01      | Flor, klor, brom ve iyot                                                                                                                                                              |
|       |       | 2802.00.00 | Süblime veya çöktürülmüş kükürt; koloidal kükürt                                                                                                                                      |
|       |       | 28.04      | Hidrojen, asal gazlar ve diğer ametaller                                                                                                                                              |
|       |       | 2805.19    | Diğerleri                                                                                                                                                                             |
|       |       | 2805.30    | Nadir toprak metaller,skandiyum ve itriyum (kendi aralarında karıştırılmış veya alaşım haline getirilmiş olsun olmasın):                                                              |
|       |       | 28.06      | Hidrojen klorür (hidroklorik asit); klorüstüflirik asit                                                                                                                               |
|       |       | 2807.00    | Sülfirik asit; oleum                                                                                                                                                                  |
|       |       | 2808.00    | Nitrik asit; sülfonitrik asitler                                                                                                                                                      |
|       |       | 28.09      | Difosfor pentaoksit; fosforik asit ve polifosforik asitler (kimyaca belirli bir yapıda olsun olmasın)                                                                                 |
|       |       | 2810.00.90 | Diğerleri                                                                                                                                                                             |
|       |       | 28.11      | Diğer inorganik asitler ve ametallerin diğer inorganik oksijenli bileşikleri                                                                                                          |
|       |       | 28.12      | Ametallerin halojenli ve oksihalojenli bileşikleri                                                                                                                                    |
|       |       | 28.13      | Ametallerin sülfürleri; ticari fosfortristülfür                                                                                                                                       |
|       |       | 28.14      | Susuz (saf) amonyak veya amonyak sulu çözeltileri                                                                                                                                     |
|       |       | 28.15      | Sodyum hidroksit (kostik soda); potasyum hidroksit (kostik potas); sodyum veya potasyumun peroksitleri                                                                                |
|       |       | 28.16      | Magnezyumun hidroksit ve peroksiti; stronsiyum ve baryumun oksitleri, hidroksitleri ve peroksitleri                                                                                   |
|       |       | 2817.00    | Çinko oksit; çinko peroksit                                                                                                                                                           |
|       |       | 2818.10    | Suni korendon (korundum) (kimyaca belirli bir yapıda olsun olmasın)                                                                                                                   |
|       |       | 2818.20    | Aluminyum oksit (suni korendon hariç)                                                                                                                                                 |
|       |       | 28.19      | Krom oksitleri ve hidroksitleri                                                                                                                                                       |
|       |       | 28.20      | Manganez oksitleri                                                                                                                                                                    |
|       |       | 28.21      | Demir oksitleri ve hidroksitleri; içinde ağırlık itibarıyla % 70 veya daha fazla Fe2O3 olarak değerlendirilen kombine demir içeren toprak boyalar:                                    |
|       |       | 2822.00    | Kobalt oksitleri ve hidroksitleri; ticari kobalt oksitleri                                                                                                                            |
|       |       | 2823.00.00 | Titan oksitleri                                                                                                                                                                       |
|       |       | 28.24      | Kurşun oksitleri; minyum ve minoranj                                                                                                                                                  |
|       |       | 28.25      | Hidrazin ve hidroksilamin ve bunların inorganik tuzları; diğer inorganik bazlar; diğer metal oksitler, hidroksitler ve peroksitler                                                    |
|       |       | 28.26      | Florürler; florsilikatlar, floroluminatlar ve diğer kompleks flor tuzları                                                                                                             |
|       |       | 28.27      | Klorürler, oksiklorürler ve hidroksiklorürler; bromürler ve oksibromürler; iyodürler ve oksiiyodürler                                                                                 |
|       |       | 28.28      | Hipokloritler; ticari kalsiyum hipoklorit; kloritler; hipobromitler                                                                                                                   |
|       |       | 28.29      | Kloratlar ve perkloratlar; bromatlar ve perbromatlar; iyodatlar ve periyodatlar                                                                                                       |
|       |       | 28.30      | Sülfürler; polisülfürler (kimyaca belirli bir yapıda olsun olmasın)                                                                                                                   |
|       |       | 28.31      | Diüyonitler ve sülfosilikatlar                                                                                                                                                        |
|       |       | 28.32      | Sülfidler; tiyosülfatlar                                                                                                                                                              |
|       |       | 28.33      | Sülfatlar; şaplar; peroksisülfatlar (persülfatlar)                                                                                                                                    |
|       |       | 2834.10    | Nitritler                                                                                                                                                                             |
|       |       | 2834.21.00 | Potasyum nitrat                                                                                                                                                                       |
|       |       | 2834.29    | Diğerleri                                                                                                                                                                             |
|       |       | 28.35      | Fosfinatlar (hipofosfitler), fosfonatlar (fosfitler) ve fosfatlar; polifosfatlar (kimyaca belirli bir yapıda olsun olmasın)                                                           |
|       |       | 28.36      | Karbonatlar; peroksikarbonatlar (perkarbonatlar); amonyum karbamat içeren ticari amonyum karbonat                                                                                     |
|       |       | 28.37      | Siyanürler, oksisyanürler ve kompleks siyanürler                                                                                                                                      |
|       |       | 28.39      | Silikatlar; ticari alkali metal silikatlar                                                                                                                                            |
|       |       | 28.40      | Boratlar; peroksiboratlar (perboratlar)                                                                                                                                               |
|       |       | 28.41      | Oksimetalik veya peroksimetalik asitlerin tuzları                                                                                                                                     |
|       |       | 28.42      | İnorganik asitlerin veya peroksi asitlerin diğer tuzları (kimyaca belirli bir yapıda olsun olmasın alumina silikatlar dahil) (azotürler hariç)                                        |
